- ❖ Blood grouping
- ❖ Histocompatibility & Immunogenetics
- ❖ Laboratory Medicine
- ❖ Transfusion Medicine
- ❖ Quality Management
- ❖ Molecular Biochemistry
- ❖ New Technologies & Laboratory Automation
- ❖ Research Advances in Clinical Biochemistry

Pre-conference workshops will be held concurrently.

- ❖ Workshop 1: Transfusion
- ❖ Workshop 2: Tumor markers

Plenary sessions, symposia and poster/oral presentations covers a wide variety of clinical biochemical topics ranging from analytical challenges to emerging technologies and testing methods.

TRADE EXHIBITION

We look forward to the participation of the diagnostic industry as the exhibition will provide opportunity for promoting the latest technology, products and services to establish contact with clients.
